West Palm Beach, Florida

Monday, May 31, 1954

8:00 p.m.

Academic Costume

AN EXPLANATION

In accordance with the academic code, everyone with a college or university degree may wear the black academic gown and appropriate hood corresponding to the degree held by the wearer.

Distinction between sleeves of the gowns indicate the type of degree. A long pointed sleeve indicates a Bachelor's degree while a long closed sleeve, with a slit near the upper part, designates the wearer as the holder of a Master's degree. A round open sleeve marks a Doctor's degree. Additional distinguishing characteristics of the Doctor's costume center in the velvet trimming on the gown, including velvet cross bars on the sleeve and the distinctive type of hood. The velvet trimming may be black to match the hood edging.

The color of the edging on the hood denotes the wearer's field of specialization in which the degree was awarded. The lining of the hood is in the colors of the college or university which conferred the degree.

The degrees represented in the procession, and the colors which indicate them, are as follows:

Arts and Letters	White
Education	Light Blue
Engineering	Orange
Law	Purple
Library Science	Lemon
Science	Golden Yellow
Theology	Scarlet

Graduates of junior colleges wears caps and gowns of midnight blue. White ribbons, appropriately lettered, may be worn by faculty and graduates to indicate membership in honorary scholastic societies. The white ribbons worn by certain members of the graduating class of Palm Beach Junior College indicate membership in Delta Omicron Chapter of Phi Theta Kappa, national junior college honor society in the arts and sciences.

PROGRAM
